

# Microwaveable Doggie Cookies

## Ingredients:

2 cups whole wheat flour

3 tbs. oatmeal

1 egg, lightly beaten

2/3 cups beef or chicken broth

Place the flour, eggs, and broth in a large bowl and mix well. Blend in the oatmeal. Roll the dough into a ball. Using a [cutting board](#) sprinkled with flour, roll out the dough until it is about ½ inch thick. Cut the dough with cookie cutters and place the uncooked dough on a microwaveable plate. Place the plate of doggie cookies in the [microwave](#) and set it on high for 5-8 minutes. The cookies should harden in the microwave. Once the cookies have hardened, allow them to cool for 5 minutes before serving them to your dog.
