

# Shelter News

Summer 2010

Volunteer Coordinator

The shelter is abuzz with movement, with the temperatures warming and the increase of sun light. Volunteers have been filing in to walk dogs and socialize the cats. We've also seen an increase in community groups wanting to donate their time to the shelter.

We have several activities coming up in the next several months. First, we are going to hold a "Kitten Shower"

June 5 from 12-3. It's currently the height of kitten season and unfortunately, there are way more kittens than there are homes for them. During this event, we reduce the fees on kittens and promote it as sort of a baby shower. If you'd be willing to help out that day, please let me know. Also, we are continually looking for help with the Petco Adoption Saturdays. The June day has been scheduled for June 19th from 1-3. If you'd be willing to help, again please let me know. We haven't been able to get the volunteer support that we've needed for

this project and had to cancel the last couple of months, so if you could spare a few hours, please let me know!

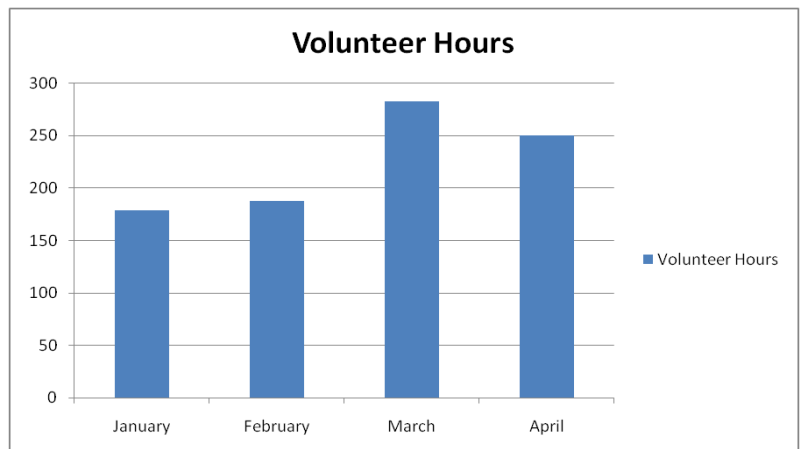

Thank you again for all you do!  
Vicki
